STEM PREPARATION PROGRAM

Accessing STEM Prep Course Materials

1. Follow this link: <http://uofastore.com/textbook/>. Scroll down to Textbooks, and click the red “Buy Textbooks” button.
2. Click “I agree”.
3. Select the term (semester), department, course, and section.
4. Once you click the section, the course will show up in the list on the right side of the page. You can select multiple courses. When all your courses are selected, click “Choose Books”.
5. You can view all courses, or individual courses. You may see options to purchase Used or New editions. When you’re ready to purchase, click “Add to Cart” and then “Checkout”. You can always contact your instructor to see if the book can be purchased elsewhere, such as Amazon.
 - Please note: If it says “Information Unavailable,” you will need to contact your instructor.

** For all questions regarding textbooks, online access codes and websites, please contact your instructors. Their contact information can be found in emails from the STEM Prep Coordinator. **
